REMINDER

Designated Drop-Off Area – If you have a group of people participating that require being dropped off, they must be dropped off at the designated drop off area only. **Please tell everyone in your group that NO ONE will be allowed to drop people off at your assigned line-up location and NO ONE will be allowed to drive down the blocked road that is designated as the line-up road.**

NEW REQUIREMENT

Youth Participants – Any participants who have a group of youth that the parents are dropping off – will be required to have at least one adult waiting at the drop off area to gather their youth and walk with them to their line-up location once they have all arrived. **NO ONE** dropping off their children will be allowed to drive them down the blocked line-up road to your assigned location, nor will we have anyone available to gather your youth participants.

Keep it Moving! – In the past, we have had significant gaps in the parade procession. We ask that participants stay at a slow and steady pace, *walkers stay with their groups* and that vehicles are not stopping or holding up the flow of the parade.

Thank you for your cooperation. These rules and further information will be stressed again in the participation / parade placement letters that will be sent approximately one week before the parade date to insure that all participants are aware.

*Complete the attached form and mail it (along with payment, if appropriate) to
